

# Covid Safety Measures

We have been working hard behind the scenes to plan our events within current government guidelines. To ensure the safety of all attendees we have the following safety measures in place for our event:

**IF YOU FEEL UNWELL, HAVE ANY COVID-19 SYMPTOMS, ARE IN QUARANTINE OR ARE SELF-ISOLATING DO NOT ATTEND.**

Please **check [www.elk-promotions.co.uk](http://www.elk-promotions.co.uk)** or ring 01797 344277 before travelling to the event.

When you arrive at the event you are advised to check in using your smartphone's NHS Covid-19 contact tracing app using the NHS Covid-19 QR codes which will be displayed at the entrance to the event. A paper system is available if you do not have the app.

By purchasing online tickets to the Show visitors are providing their NHS Test & Trace information in advance and agreeing to sharing their information with NHS Test and Trace within a 21 day period of their attendance should this be necessary.

Should you wish to exit and re-enter the event please ensure that collect a re-entry wristband on exit.

Observe social distancing at all times with all others not part of your household, keep two metres distance or one metre with additional precautions, such as a face covering.

Use the hand sanitising stations as necessary .

Please check this page again closer to the date of the event for any additional information.

**IF YOU HAVE ANY CONCERNS ABOUT BREACHES OF COVID SAFETY MEASURES PLEASE CONTACT THE ORGANISER AT THE MAIN ENTRANCE GATE**
